

NAPA Proselect Filters – RECALL Notice – Part No. SFI 21334 and SFI 21334MP

This communication is to notify you of a recall for Proselect (SFI) 21334 and 21334MP oil filters. If you have purchased this oil filter after Aug 5th you may have a recalled filter.

Please read below to identify recalled filter and seek replacement with your NAPA AUTO PARTS Store.

Product Concern:

Premium Guard has discovered that a limited number of ProSelect 21334 and 21334MP oil filters may have a larger diameter gasket than required by the vehicle that may cause inadequate sealing and loss of engine oil. Most known issues involve Hyundai and Kia 1.6L, 2.0L, 2.24L engines. Please view Related Links for all possible applications.

Call-To-Action:

If you are in possession of the recalled filter, please seek a refund or exchange from your local NAPA AUTO PARTS Store. Most known issues involve Hyundai and Kia 1.6L, 2.0L, 2.24L engines.

If you have already installed the recalled filter, please take a photo of your recalled 21334 or 21334MP filter as well as a copy of your NAPA invoice to your NAPA AUTO PARTS Store for a free oil filter and oil replacement of like or equal value.

Identifying Recalled 21334 and 21334MP oil filters:

1. Look for a white can WITHOUT a ProSelect logo and the part number applied via sticker
2. The top of the can will have the words 'Leak Tested' with a date code 21MNJ or 21MTA and end with 8561
3. The individual box version 21334 will state "Made in Mexico"
4. The master pack cartons of 21334MP have a generic NAPA logo and "Made in Mexico" printed under the barcode

Note: Any Filter with ProSelect printed on the filter and any Blue painted filters are not a part of this recall and are without issue.
